PERSONAL MAC COMPUTER

Accessing Wireless on Your Personal Mac Computer (not iPhones, iPads or Android)

Used by LVJUSD staff and students for their non-lvjusd computers

It is **strongly encouraged** that you go to <u>https://cloudpath.lvjusd.k12.ca.us</u> to **pre-register** your device before bringing to school. Do not use Firefox as it is not supported by the BYOD system. Follow the steps below and your device will connect to the LVJUSD-BYOD network automatically.

- 1. Connect or join the LVJUSD-Onboarding wireless network.
- Open a browser window such as Chrome or Safari. (*Firefox does not work with the BYOD* system.) If you don't see a welcome message type in www.livermoreschools.com so the welcome screen appears to start the registration process.

Wel Dist	come to the Livermore Valley Joint Unified School rict Network
į)	Access to the Livermore Valley Joint Unified School District network is restricted to authorized users and requires acceptance of the Terms & Conditions below.
	Once authorized for access, your device will be configured with a unique certificate for network access.
•	I agree to the <u>Terms & Conditions</u>
	Start >
	Student/Staff

Register your personal devices with your

District login for one year.
