

## Alameda County Student Transit Pass Program Information

The Student Transit Pass Program (STPP) provides free youth Clipper cards to eligible middle and high school students in Alameda County which can be used for unlimited free bus rides in their area (on AC Transit, Union City Transit or LAVTA Wheels), as well as a 50 percent discount on BART trips and youth discounts on other transit systems that use Clipper.

Alameda CTC is responsible for the implementation of the STPP in Alameda County. The program makes it easier to travel to and from school and school-related programs, jobs and other activities, expanding transportation options for Alameda County's middle and high school students.

The goals of the program are to:

- Reduce barriers to transportation access to and from schools
- Improve transportation options for Alameda County's middle and high school students
- Build support for transit in Alameda County
- Implement a cost effective program

The Student Transit Pass Program is undergoing a phased expansion to all middle and high schools in Alameda County with bus service over the next five years. The expansion phasing seeks to balance geographic equity across planning areas in the county.
