

2021-22 Course Catalog/Student Planner

Student artwork will be featured on the covers of both the 2021-22 Granada High School Course Catalog and the 2021-22 Student Planner. The designs should reflect Granada High School as a place that prepares students to be lifelong learners.

Guidelines for Course Catalog:

- Vertical Orientation – 8.5” x 11” with at least a 1” margin around the edges
- Colors – incorporate Black and Gold (may use accent colors) Remember the catalog is printed on newsprint, so keep that in mind when designing.
- The following information must either be included in your design, or there must be space left for it to be incorporated:
 - Granada High School
 - 2021-2022 Course Catalog and Planning Guide

Guidelines for Student Planner:

- Vertical Orientation – 5.5” x 8.5” **with coordinating back cover** design that leaves blank space for our bell schedule
- Colors – incorporate Black and Gold (may use accent colors). Photography may be used.
- The following information must be included (or space must be left for it to be incorporated) on the front cover:
 - Granada High School and 2021-2022

There are samples in Student Services if you need them for reference. Artwork will be chosen based on creativity, quality and our ability to print the design as a memorable cover that reflects Granada High School. Minor changes may be requested.

If you have questions, please see Mrs. Advincula or Mrs. Corso in Student Services.

All submissions must be turned in by Thursday, January 14. Artwork can be dropped off in Student Services or emailed to: jadvincula@lvjUSD.org or pcorso@lvjUSD.org
