# WELCOME POKES FANS

TO THE 2020 BASEBALL SEASON

HELLO! ★ ★ ★ ★ ★

WELCOME TO ANOTHER YEAR OF POKES BASEBALL! WE ARE VERY EXCITED ABOUT THE UPCOMING YEAR. The boys have been working hard in the offseason on their own preparing for the season and are looking to return Pokes Baseball back to the top. Coach Perotti and his staff always put together a competitive program from top to bottom. The East Bay Athletic League is one of the premier baseball leagues in California, and it is always a challenge for LHS to rise to the occasion. The baseball program has worked hard to create one of the best facilities in the area, and the players are very proud to play on the field. They work daily to keep it in quality playing shape. They take pride in the facility and it shows with how it looks.

The baseball program has done a great job of staying connected to the community by having community fund raisers and former players and dads who have come back to coach and help the program. The Freshman coaching staff has one former player as the head coach. The JV team has one former dad as the head coach, and the Varsity team has three former players on the staff.

We have a rich tradition here with three former Pokes who have played, or are currently playing in the Big Leagues: Class of 1982 had Randy Johnson: Hall of Fame left handed pitcher; Class of 2005 had Bryan Shaw: current reliever for the Colorado Rockies and has been in the majors for 8+ years playing in the World Series with the Indians; Class of 2008 had JR Graham: pitched for the Minnesota Twins in 2015 and 2016.

We are proud of the diamond Pokes here at LHS! So, sit back, relax and enjoy the 2020 version of Pokes Baseball!

Thank you!

A MESSAGE FROM THE

# HEAD COACH

**COWBOY PRIDE!** This has a lot of meaning when it comes to the baseball program here at Livermore High. Our kids believe in giving all they have to our program, and in return they respect and receive a quality high school baseball experience. We stand firm in our dedication to teaching kids to play the game the right way. We work hard day in and day out at practice with the one main goal on the field being: **“GET BETTER EVERYDAY.”** We have developed a working man’s attitude with the approach that an honest day’s work will yield great results. This game is actually pretty simple: throw the ball, hit the ball and catch the ball; and we try to keep it that simple. Fundamentals are at the core of what we teach on the field. We strive to improve and let the wins take care of themselves.

However, the on-field experience is only part of what LHS Baseball is all about. We teach that a young adult needs to be held accountable for his actions and that they are part of something greater than just them. Team comes before all else because no individual accomplishments happen without a solid core of teammates. Class, heart, dignity and punctuality are all stressed in our program from the Freshman level on up. The Livermore High Baseball Program is a great thing to be a part of and we take pride in that fact. Very few people get to experience the excitement of playing high school baseball, and we do not take it for granted.

David Perotti

## COACHING STAFF

2020 LIVERMORE BASEBALL

**David Perotti** >> VARSITY HEAD COACH

Coach Perotti is entering his 21st season at Livermore High and his 20th as the Head Varsity Coach. Coach started his career as the Freshman Coach and the following year got the Varsity job at 23 years old. He played his collegiate baseball at Indiana Tech and then began coaching at LHS. Pokes Baseball is all Perotti has known in his coaching career. The Pokes have seen quite a bit of success under Coach Perotti as they have won EBAL and NCS titles in the past few years. The 2008 team posted a school record of 24 wins en route to a 24-3 record. The 2016 squad won the school's first ever NCS title. Since 2000, they have seen close to 100 players move on the play at the next level from Junior College all the way up to the Major Leagues.

Coach Perotti has spearheaded many fund raisers and field projects over the years. The only part of the field and facilities that have not been renovated or remodeled is the outfield grass. The field has transformed from one of the worst to one of the best complete with six lighted batting tunnels, raised seating for close to 350 spectators behind home plate, box seating down the third base line for 35 fans, Wall of Fame, remodeled and updated clubhouse, new scoreboards, brick backstop, new bullpens, three new infields and numerous other improvements.

Coach Perotti is proud of the LHS Baseball community and is extremely grateful for the support from the community, parents, school and district. The coaching staff is full of alumni and former parents which shows the pride in the program. Coach Perotti resides in Livermore with his wife of 19 years and three boys: Colin (15), Jackson (12), Grant (8) and their rescue dog, Duke.
