## PERSONAL WINDOWS COMPUTER

## Accessing Wireless on Your Personal Windows Computer (not Android Phones or Tablets)

Used by LVJUSD staff and students for their non-lvjusd computers

It is **strongly encouraged** that you go to <a href="https://cloudpath.lvjusd.k12.ca.us">https://cloudpath.lvjusd.k12.ca.us</a> to **pre-register** your device before bringing to school. Follow the steps below and your device will connect to the LVJUSD-BYOD network automatically.

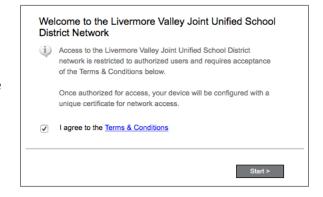

- Connect or join the LVJUSD-Onboarding wireless network.
- Open a browser window such as Chrome or, Firefox. If you don't see a welcome message type in www.livermoreschools.com so the welcome screen appears to start the registration process.

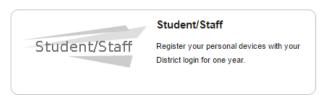

Agree to Terms & Conditions

Click Start

- 3. Select Student/Staff
- 4. Login with your LVJUSD username and password.

Click Continue

Your username and password are required	to access the network.

Password:	
< Back	Continue >

5. **Download** the Cloudpath file.

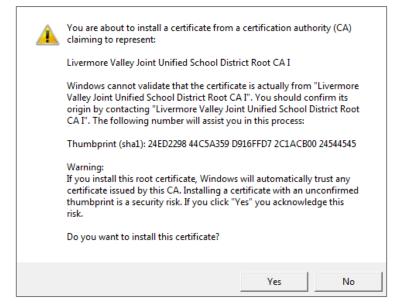

Microsoft Windows	
•	Download for Windows NetworkWizardLoader-80cac051.exe
	pading, go to your desktop or downloads folder and open workWizardLoader-80cac051.exe".

5. Click **Run** to proceed with the Cloudpath wizard you downloaded.

 Cloudpath will prompt you with a Security Warning regarding the installation of the LVJUSD certificate.

To proceed, click Yes.

7. Cloudpath will automatically configure your wireless connection.

8. When done you should see "Successfully Connected!" You are now connected to the **LVJUSD-BYOD** wireless network.

<sup>\*\*</sup>If pre-registered, your personal device will not connect until at school.
