To reset your username or password, close the app and go to collegeboard.org. When you're done, relaunch the app. If you need to exit the app, hold down the power button for 1 second and then select Sign Out.

4. When you have finished practice exams, and more importantly, when you complete the AP exam, be sure to sign out. When you click the power icon at the bottom of the screen, select sign out.

If you are having difficulty launching the application, first try rebooting at school using the school network. If this does not work, please come to the school library to exchange your chromebook.
