Graduation Cap Decorating Guidelines

If you choose to decorate your cap, please use the following guidelines.

- All decorations must lay flat on the cap (3-D creations with stuffed animals, flowers, noise makers, etc. are prohibited)
- Nothing but the graduation tassel can be hanging down from any of the sides of the cap
- Only the flat, top area of the mortar board may be decorated
- Please do not use any pictures, words, or phrases that violate the LVJUSD dress code.

For graduation caps that violate these guidelines, plain caps will be issued before the ceremony for use during the ceremony.

Appropriate Decoration Suggestions: graduation year, thank you messages, future college references, future military branch references, clubs/teams/organizations participated in, your home country's flag... Stay Classy!
