GHS Graduation Requirements

How to earn 240 credits:

5 credits are earned for each course passed

60% or a D- is required to pass the class

70% or a C- is required to meet college entrance requirements and to meet pre-requisites for higher level classes

A Full-time student takes 4 classes per trimester:

12 courses per year (4 per trimester) will keep a student on track for graduation:

- $60 \text{ credits} \times 4 \text{ years} = 12 \text{ courses/years} = 240 \text{ credits}$
- Use the GHS 4 year plan to track completion of required courses and electives

GHS Graduation Requirements

<http://www.granadahigh.com/ibdiplomaprogramme>

Credit Recovery

- If you need to recover credits for a class that you took and failed, see your counselor about Academic Prep
- **Academic Prep allows you to redo courses online in the same way as summer school**

Requesting Courses

What you'll need:

- Course Catalog
- 4-Year Plan or Course Request Worksheet
- Student ID Number
- Online access: www.granadahigh.com
- About 20 minutes

Please be sure to visit the
'Online Course Registration'
page on the GHS website to
watch the tutorial for online
registration if you have
questions

Select Courses Wisely!!!

NOTE: Select your courses carefully and conscientiously. The schedule you get in August will be according to what you select now and therefore, outside of an error on our part, schedule changes will not be needed or allowed.

NOTE: Any alternates chosen *may be* filled in your schedule if there are difficulties getting your main choices. So select accordingly.

NOTE: Both parts of A/B courses must be completed in a school year. You may not drop portion B of a course.
