

Dear Senior Parents and or Guardians,

The class of 2024s Grad Night will be here before you know it! An important part of Grad Night is the “Memory Wall,” which is a collection of individual photo collages displaying a photo history of the graduating seniors.

To do this, we ask each senior’s family to create these collages. Instructions are below:

**Parent/Guardian to do before May 1, 2024**

- Parents and guardians collect photos of your student. These can be from birth to present or just high school years. Include pictures from birthdays, vacations, sports, family and friends, whatever will make your student proud. **Nothing that would embarrass your senior.**
- Arrange and attach the photos horizontally or vertically on an 11X17 or 12X18 legal Size paper. No bigger than 12X18.
- Make a color copy of your photo collage at a copy center of your choice.
- Put your child’s name on either the front or back side.
- Laminate the color copy.
- Turn in laminated copy to Granada Office by May 1<sup>st</sup>. They are open M-F 8:30 – 4:00.
- Keep your original photos. Students will not be bringing the collages home with them. They are saved at school to display at future reunions.
- If you create your collage online, you do not need to make a copy unless you want to keep a copy, but you still need to laminate it. I created mine at Walmartphoto.com

Places in Livermore that will copy and laminate are: (Prices range from \$3-\$10 each)

- Kinko’s
- fed Ex
- Office Max

We hope you will take time to complete this project and share special memories of your child with their classmates.
