Core Values for Teaching and Learning

PREAMBLE

The Governing Board of the Livermore Valley Joint Unified School District (LVJUSD) embraces as our mission that each student will graduate with the skills needed to contribute and thrive in a changing world and pledges:

- To continually develop and support a high-quality staff that is committed to innovative teaching
- To insist on continuous improvement to ensure successful learning outcomes for all LVJUSD students

CORE VALUES

In support of our District's mission, our Superintendent and staff will adhere to the following core values for teaching and learning:

- LVJUSD schools will be safe, inclusive and welcoming for all students and their families.
- LVJUSD will provide current, relevant and engaging instructional materials and strategies that allow students to personalize their educational experience.
- LVJUSD will deliver innovative teaching and professional development that ensures the highest quality instruction that is responsive to each student's needs.
- All LVJUSD students will have equitable access to a wide range of challenging and inspiring courses and specialized programs that prepare students for college and career.

Board Approved 6-26-18

School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

Principal's Message

Emma C. Smith Elementary School, a 2016 California Gold Ribbon School and a California Distinguished School in 2002 and 2006, offers a learning environment that allows each student to grow as an individual. We base educational and program decisions on what is best for the students. We recognize students throughout the year in their classrooms and at awards assemblies for academic achievement, good behavior, character traits and attendance. Families are welcomed and provide a strong support for our school.

School Mission Statement

To ensure collaboration, communication, cooperation and creativity along with high levels of learning for all students in order to prepare them to become responsible and productive community members.

School Vision Statement

To provide all students at Emma C. Smith Elementary School with:

- a challenging curriculum that is aligned with the State standards.
- instruction that is engaging, differentiated and data driven that meets the needs of every student.
- a supportive, caring, safe, respectful, and student-centered climate that fosters positive character, self-esteem and self-motivation.

School Safety

Smith School provides a safe, comfortable learning environment that contributes to students' academic success. Our schoolwide rules provide safety for all and emphasize positive behavior and problem solving in a peaceful and cooperative manner. We work closely with the school community to provide children with a supportive, caring environment that fosters self-esteem, self-motivation and a sense of responsibility. We encourage children to respect each other and always do their best.

The school safety plan was reviewed and updated by our safety committee with a final discussion at our February 2019 staff meeting. Our campus is secured with closed and locked gates during school hours, requiring all visitors to check in the office through our computerized badge system. In the event of an evacuation, procedures are in place to allow a quick visual to account for all students and staff. Fire, earthquake and lock-down drills are practiced regularly on a district schedule. Using SchoolMessenger, we can quickly call several phone numbers and email simultaneously to alert parents in case of an emergency.

District Mission and Vision Statements

Each student will graduate with the skills needed to contribute and thrive in a changing world.

District Goals

Goal 1: Increase the percentage of students who have the skills and knowledge to graduate from high school to be college and/or career ready.

Goal 2: Provide an engaging, clean, healthy, and physically and emotionally safe environment to support learning at the highest levels.

Goal 3: Enhance parent and community engagement and communication.

Enrollment by Student Group

The total enrollment at the school was 738 students for the 2017-18 school year. The pie chart displays the percentage of students enrolled in each group.

Parental Involvement

Livermore Valley Joint Unified School District (LVJUSD) values active parent engagement and believes that parent involvement is essential to the success of all students. LVJUSD Board Policy 6020(a) states:

"The Board of Education recognizes that parents/guardians are their children's first and most influential teachers and that sustained parent involvement in the education of their children contributes greatly to student achievement and a positive school environment. The Superintendent or designee shall work with staff and parents/guardians to develop meaningful opportunities at all grade levels for parents/guardians to be involved in district and school activities; advisory, decision-making, and advocacy roles; and activities to support learning at home."

Educational research suggests that highly effective schools have a number of features in common, including high levels of parent and community involvement. When parents take an active role in their children's education, students perform at high levels and have more well-rounded educational experiences. LVJUSD parents are welcome partners in our school community. There are a range of opportunities for parents to engage with schools, including Parent Teacher Associations (PTAs), Parent Faculty Associations (PFAs), sports and activity booster clubs, and other supporter groups. On a monthly basis, the superintendent of schools meets with a representative of each school's parent organization at the Parent Communication and Information Council (PCIC). This gathering provides an opportunity for parent groups to collaborate with each other and representatives of the district regarding events, opportunities, and activities for students and families. This is also a time district representatives share new initiatives and current information with parent leaders. In addition, parents have the opportunity to share general concerns and ask questions directly to the superintendent. Each school also has formal advisory groups including School Site Councils (SSCs) and English Learner Advisory Committees (ELACs) who represent other parents at the site and are critical in the development and monitoring of the Single Plan for Student Achievement (SPSA). A representative from each SSC serves on the district Local Control Accountability Plan (LCAP) Advisory Committee, and a member of each ELAC serves on the District English Learner Advisory Council (DELAC), which also serves as the LCAP English Learner Advisory Committee. Through these two-way systems of parent support and engagement, parents, district, and school staff have open lines of communication and opportunities to engage in meaningful ways with the school community.

There is a strong, supportive link between Emma C. Smith Elementary School and the parent community. Parents are an integral part of support through Autumn Treasures, a Parent Teacher Association (PTA) fundraiser that raises funds for various school programs, assemblies, classroom resources, field trips, technology and school events. We are fortunate to have dedicated parents who volunteer their time and support to our many programs. By participating in the PTA, School Site Council (SSC), English Learner Advisory Committee (ELAC), or volunteering throughout the school, there are many opportunities to be involved with your child's education.

For more information on how to become involved, please contact the principal's secretary, Michelle Winningham, at (925) 606-4750 or mwinningham@lvjUSD.k12.ca.us.

Enrollment by Grade

The bar graph displays the total number of students enrolled in each grade for the 2017-18 school year.

Types of Services Funded

Categorical funds support a wide range of districtwide and site services to assist all students, including underperforming students, in meeting and exceeding standards. At the district level, categorical funds are used to provide program specialists and staff to monitor, implement and oversee Migrant Education, Native American Education, Special Education, Gifted and Talented Education (GATE) program services; intervention; summer school; TriValley Teacher Induction Project (TV/TIP) and new teacher support; professional development; Peer Assistance and Review and staff development; and the English learner (EL) program.

District-level advisory committees, such as the Local Control Accountability Plan (LCAP) District English Learner Advisory Council (DELAC), GATE Advisory Committee, Career Technical Education (CTE) Advisory Committee, Technology Committee, Math Leadership Committee, K-12 Writing Committees and Special Education Advisory Committee provide input and guidance to ensure compliance and ensure funds are used so that student needs are met. In addition, our district is implementing the LVJUSD Framework for Success. The framework includes multi-tiered systems of support for students' academic, behavioral and social emotional needs.

Class Size Distribution

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development

Our district recognizes that each employee—classified, certificated and management—influences the opportunities for students to achieve at the highest levels. In line with our District Professional Development Plan, we offer and support ongoing growth opportunities that allow every teacher, administrator and staff member to further develop the appropriate knowledge, skills and practices required to create learning environments that allow all students to demonstrate high levels of achievement. Our Board of Education and our district administration recognize that all staff members of the LVJUSD must be provided time and support to acquire, improve and enhance professional knowledge, practices and skills.

During the 2018-19 school year, relevant and timely professional development will be available and delivered to employees. In addition, the two designated professional development days and the flexible professional development day for certificated staff provide the option of individualized professional growth for teachers. Professional development will primarily focus on effective tier one instruction; student and staff safety; customer service; meeting the needs of students with Individual Education Plans (IEP); effective usage of technology as an instructional tool; effective instructional practices for English learners; and implementation of specialized programs such as Dual Immersion, Project Lead the Way, International Baccalaureate and Advanced Placement programs.

The following categorical programs provide the following services.

Categorical Program Funding Sources and Services:

- After School Education and Safety (ASES) funds support the Livermore BELIEVES program at Marylin Elementary and Junction K-8 Schools and the PAL program at all middle schools, by providing enrichment opportunities, homework support and academic intervention to students.
- Carl D. Perkins Vocational and Technical Education funds provide professional development, services, materials and resources for career technical education in our high schools.
- Migrant Education program funds provide a community liaison, community outreach, instructional aides, tutors, technology-based PASS program and preschool services.
- Tri-Valley Teacher Induction Program funds provide training and coaching for our new teaching staff and funds professional development.
- Special education funds provide staffing including program specialists, psychologists, therapists; professional development; transportation; and supplementary materials for special needs students.
- State Assessment Apportionments are used to administer state-mandated assessments.
- Title I: Funds provide resource teachers, supplemental instructional materials and assessments, instructional aides, staff development and parent involvement.
- Title II: Improving Teacher Quality funds provide high-quality professional development, training and coaching to certificated staff.
- Title III: English learner funds provide EL programs, services, parent education and professional development, supplemental instructional materials and support staff to ensure quality programs for English learner students.
- Title VI: American Indian funds are used for parent education, guest speakers, tutoring, cultural activities and incentives for Native American students.

CAASPP Test Results for All Students: Science (grades 5, 8 and 10)

The 2016–17 and 2017–18 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The California Science Test (CAST) was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

California Assessment of Student Performance and Progress (CAASPP)

For the 2017-18 school year, the CAASPP consists of several key components, including:

California Alternate Assessments (CAA) test includes both ELA/literacy and mathematics in grades 3-8 and 11. The CAA is given to those students with the most significant cognitive disabilities whose current individualized education plan (IEP) designates an alternate assessment.

Smarter Balanced Assessments include ELA/literacy and mathematics in grades 3-8 and 11. Smarter Balanced Assessments are designed to measure student progress toward college and career readiness.

The assessments under CAASPP show how well students are doing in relation to the state-adopted content standards. On each of these assessments, student aggregate scores are reported as achievement standards. For more information on the CAASPP assessments, please visit www.cde.ca.gov/ta/tg/ca.

CAASPP by Student Group: English Language Arts/Literacy and Mathematics

The table on the following page displays the percentage of students that met or exceeded state standards in English language arts/literacy and mathematics for the school by student groups for grades 3-5.

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Textbooks and Instructional Materials

The LVJUSD has adopted the Next Generation Science Standards and the California State Standards in the following content areas: English/language arts and literacy in history/social science, science and technical subjects, and mathematics. Our district has also adopted the state content standards for history/social science, English language development (ELD), physical education, visual and performing arts, and career technical education. Our district adheres to state curricular guidelines for health and foreign language. The LVJUSD Board of Education has approved and adopted instructional materials in all content areas, aligned to state and district-adopted standards.

Our district reviews and adopts textbooks based on state and district standards. Our district instructional materials are selected and adopted in accordance with board policy and Board Regulation 6161.1 for Selection and Evaluation of Instructional Materials. Supplementary materials, including core literature and state-approved intervention materials are selected and used to increase access to standards-based instruction.

Our district's selection process includes a committee of teachers and administrators, along with parent input. The committee develops evaluation criteria, pilots materials, makes recommendations appropriate to each adoption cycle.

The final book selection is based on input from a district committee and the community. Staff development is provided for all new textbook adoptions. Districtwide adoptions include elementary English language arts and English language development in 2018-19 and secondary in 2019-20, history/social science in 2005-06, science in 2006-07, grades 9-12 math in 2007-08, grade 6-8 math in 2014, and grade K-5 math and algebra 1 in 2016. Textbooks are available, without charge, for all students. Each student receives a book for his or her own use. Students are responsible for keeping textbooks in good condition and for returning them promptly at the end of the school year.

By the eighth week of school each year, the LVJUSD Board of Education passes a resolution certifying, "Sufficient Standards-aligned textbooks and instructional materials were provided to each student, including English learners (EL), in mathematics, science, history/social science, and English/language arts, including the ELD component of an adopted program." Foreign language and health textbooks are adopted and ordered in sufficient quantities. In addition, science laboratory equipment is available for science laboratory courses offered in grades 9-12, inclusive.

In accordance with the terms of the Williams case settlement and Education Code 35186, a uniform complaint process has been developed, and guidelines are posted in every classroom. "Each student, including English learners, must have a textbook or instructional material, or both, to use in class and to take home. This requirement includes pupils enrolled in foreign language and health classes, and is applicable to science laboratory equipment for science laboratory courses offered in grades 9-12 inclusive." No complaints have been filed relative to "sufficiency" of instructional materials in our district.

Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

Quality of Textbooks		2018-19 School Year
Criteria	Yes/No	
Are the textbooks adopted from the most recent state-approved or local governing-board-approved list?	Yes	
Are the textbooks consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education?	Yes	
Do all students, including English learners, have access to their own textbooks and instructional materials to use in class and to take home?	Yes	

Availability of Textbooks and Instructional Materials

The following lists the percentage of pupils who lack their own assigned textbooks and instructional materials.

Positive Learning Environment

Emma C. Smith Elementary School promotes a positive learning environment for all students. The school follows the Character Counts program. Students are rewarded for good behavior on a regular basis through the Caught Being Good program. Additionally, we have Cougar Awards Assemblies at the end of every trimester. Students are awarded for character education, attendance and academic achievement at the Awards Assemblies.

Emma C. Smith Elementary School follows the LVJUSD Discipline Guidelines. The principal works closely with parents and guardians, teachers and students to ensure their time at Smith is a positive learning experience.

School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor.

School Facility Good Repair Status		2018-19 School Year
Items Inspected	Repair Status	
Systems: Gas leaks, sewer, mechanical systems (heating, ventilation and HVAC)	Good	
Interior: Interior surfaces (floors, ceilings, walls and window casings)	Good	
Cleanliness: Pest/vermin control, overall cleanliness	Good	
Electrical: Electrical systems	Good	
Restrooms/fountains: Restrooms, sinks and drinking fountains	Good	
Safety: Fire safety, emergency systems, hazardous materials	Good	
Structural: Structural condition, roofs	Good	
External: Windows/doors/gates/fences, playgrounds/school grounds	Good	
Overall summary of facility conditions	Good	
Date of the most recent school site inspection	9/20/2018	
Date of the most recent completion of the inspection form	10/1/2018	

Deficiencies and Repairs

The table lists the repairs required for all deficiencies found during the site inspection. Regardless of each item's repair status, all deficiencies are listed.

For all items inspected that were found to not be in "good repair," a work order has been created and maintenance will be completed before the end of the 2018-19 school year. Maintenance items will be prioritized so that student safety is not compromised.

Deficiencies and Repairs		2018-19 School Year
Items Inspected	Deficiencies and Action Taken or Planned	
Interior	Stained ceiling tiles Room 16. Work order 94329.	
Electrical	Light cover needs put back in place in the Library. Work order 94329.	
Restrooms/fountains	Boys restroom by Room 33: First stall not flushing. Work order 94331.	
External	Loose door handle in Room K1. Work order 94170.	

School Facilities

Smith School continually strives to improve our educational programs and facilities. Smith underwent a major renovation project, which was completed in the spring of 2005. A state-of-the-art learning environment was created with student learning as a focal point, and includes 30 classrooms, two science labs, a library, media center, office and new playground. Classrooms are equipped with wiring, equipment and other features of a modern-day educational facility. The majority of the site is seven years old. The multipurpose room, science building and kindergarten building, which are more than 36 years old, were also remodeled.

During the 2013-14 school year, the district placed a fence around the school. Visitors and volunteers must check in through the office.

Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

School Facilities

Continued from left

Education is a top priority in the community of Livermore, and maintaining a safe and orderly environment maximizes student learning. The citizens of Livermore have passed three major funding measures targeting school facility needs: Measure B in 1975, Measure L in 1999 and, most recently in June 2016, the generous and supportive Livermore community passed the Measure J Facilities Bond.

Measure J funds will be used to:

- Modernize classrooms, science labs and educational technology for 21st century instruction
- Repair aging infrastructure: roofs, plumbing, HVAC and electrical systems
- Renovate facilities for advanced science, technology, engineering and math (STEM) and Career Technical Education (CTE) courses
- Improve safety, including security lighting, fencing, fire safety, and other emergency systems
- Upgrade deteriorated hardscapes, physical education facilities, and pick-up/drop-off zones
- Increase access to school facilities to better accommodate individuals with disabilities

Through these bond measures and developer fees, the LVJUSD has been able to renovate, modernize and construct new schools following the Facilities Master Plan.

Facilities are maintained through the diligent efforts of the site custodial crews and the district maintenance staff. The LVJUSD Board of Education has adopted cleaning standards for all schools in the LVJUSD. The principal works with the custodial staff to develop cleaning schedules to maintain clean and safe schools. District maintenance staff performs the repairs necessary to keep the schools in good working order in a timely manner. A work-order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Teacher Qualifications

This table shows information about teacher credentials and teacher qualifications. Teachers without a full credential include teachers with district and university internships, pre-internships, emergency or other permits, and waivers. For more information on teacher credentials, visit www.ctc.ca.gov.

Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Please note that total teacher misassignments includes the number of teacher misassignments of English learners.

	Smith ES		
Teachers	16-17	17-18	18-19
Teacher misassignments of English learners	0	0	0
Total teacher misassignments	0	0	0
Vacant teacher positions	0	0	0

Substitute Teachers

LJVUSD maintains the continuity and quality of education by making every effort to hire credentialed substitutes or the highest caliber professional who has passed the California Basic Educational Skills Test (CBEST). In addition, substitute teachers hold college degrees and proper documentation to ensure they meet the California Commission on Teacher Credentialing requirements. The district human resources department monitors the substitute pool to ensure adequate availability of substitutes to cover staff absences. LJVUSD is fortunate to have both a committed group of retired educators and aspiring teachers ready to serve our students.

Teacher Evaluations

Permanent teachers are evaluated every other year unless under a five-year evaluation cycle. Teachers who have not reached permanent status are evaluated every year. The evaluation is specified in the collective bargaining agreement between our district and the Livermore Education Association. The evaluation is aligned to the California Standards for the Teaching Profession (CSTP). The teacher and the evaluator meet to formulate professional goals based on the six CSTPs. The teacher is observed by his or her evaluator, and at least two goal-setting conferences are held. Teachers who need to improve are assigned a mentor teacher as stipulated in the contract.

School Support Staff

The district provides the following support staff and programs to meet the needs of students, teachers, parents and administrators: school community liaison, child welfare and attendance specialists, school psychologists, behaviorists, speech therapists, specialist for the hearing impaired, Resource Specialist Program (RSP), Registered Behavior Technicians (RBT), Special Services Preschool, special day classes (SDC), special education instructional aides, special education program specialists, adaptive physical education instructors, occupational therapists, high school counselors, school nurses, health aides, English learner (EL) program, Spanish and English Dual Immersion program, Migrant Education program, International Baccalaureate, interpreters and translators, bilingual instructional aides, curriculum specialists, Title I resource teachers, Title I instructional aides, and summer school programs.

Financial Data

The financial data displayed in this SARC is from the 2016-17 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending web page at www.cde.ca.gov/ds/fd/ec. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits web page at www.cde.ca.gov/ds/fd/cs. To look up expenditures and salaries for a specific school district, see the Ed-Data website at www.ed-data.org.
