# **Livermore Valley Joint Unified School District**

#### **PREAMBLE**

The Governing Board of the Livermore Valley Joint Unified School District (LVJUSD) embraces as our mission that each student will graduate with the skills needed to contribute and thrive in a changing world and pledges:

- · To continually develop and support a high-quality staff that is committed to innovative teaching
- To insist on continuous improvement to ensure successful learning outcomes for all LVJUSD students

#### **CORE VALUES**

In support of our District's mission, our Superintendent and staff will adhere to the following core values for teaching and learning:

- LVJUSD schools will be safe, inclusive and welcoming for all students and their families.
- LVJUSD will provide current, relevant and engaging instructional materials and strategies that allow students to personalize their educational experience.
- LVJUSD will deliver innovative teaching and professional development that ensures the highest quality instruction that is responsive to each student's needs.
- All LVJUSD students will have equitable access to a wide range of challenging and inspiring courses and specialized programs that prepare students for college and career.

Board Approved 6-26-18

#### Principal's Message

Jackson Avenue Elementary School is proud to present our annual School Accountability Report Card. We are committed to providing the best possible education for all students.

This 2018-19 school year, we are working closely with the parent community to support the social-emotional learning of our students through the implementation of the Choose Love Program focusing on characteristics of courage, gratitude, forgiveness and compassion. We are strengthening our schoolwide expectations of being a Stingray STAR: Be Scholarly, Be Trustworthy, Be Accepting and Be Responsible. We have weekly Wednesday morning meetings to celebrate students, build school spirit, reinforce expectations and reinforce Choose Love characteristics (Courage, Gratitude, Forgiveness and Compassion).

Jackson Avenue Elementary school received a grant for over \$50,000 from Silicon Schools to support our work on developing Personalized Learning for students. We have focused on flexible seating (standing desks, hokki stools, stadium chairs, etc.). Another area of focus is on developing student agency (setting goals, tracking and making a plan for success) and student choice in work tasks.

We have created two additional learning environments for students. Our Makerspace is a place for students to build, create art and learn to use a variety of digital tools such as bee bots for coding and green screens. With the support of our Parent Teacher Organization and a grant from Whole Foods, we have an outdoor classroom in our garden with space to grow plants in a green house, learn about composting, and use the area for painting and exploring.

Jackson Avenue Elementary School was awarded the 2014 and 2015 Honor Roll by the Campaign for Business and Education Excellence. We received the award for raising student achievement and closing the student-achievement gap.

We continue to offer Math and Reading Academy Tutors facilitated by community volunteers to provide individual and small-group support to students in the area of mathematics and reading. We screen all students in reading and provide reading support for students requiring more support.

We also received the United States Department of Agriculture (USDA) HealthierUS School Challenge Bronze Award 2015-2019 for excellence in nutrition and physical activity.

Through a grant from Kaiser Permanente, we have been able to focus on nutritional and physical health of students. We were able to install two water-filtration systems for students, provide organized physical activities on the playground to support students in being active, and nutritional information for students and families. We continue to be supported through Kaiser grants to support health and wellness programs on our site. We also received a grant from San Jose Earthquakes and Wells Fargo to purchase soccer goal stands.

We continue to participate in the Safe Routes to School program. We encourage students to walk, bike or carpool to school. We have provided assemblies to students on street safety. We also won the Fire Up Your Feet activity challenge two years in a row.

Our Science Specialist implements Project Lead the Way (PLTW). PLTW is a science program that focuses on engineering. It provides the opportunity for students to utilize critical-thinking skills, science, and math skills to apply and implement solutions to engineering problems. Jackson Avenue's middle and high school feeder schools also offer PLTW programs.

#### School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

# District Mission and Vision Statements

Each student will graduate with the skills needed to contribute and thrive in a changing world.

#### District Goals

**Goal 1:** Increase the percentage of students who have the skills and knowledge to graduate from high school to be college and/or career ready.

**Goal 2:** Provide an engaging, clean, healthy, and physically and emotionally safe environment to support learning at the highest levels.

**Goal 3:** Enhance parent and community engagement and communication.

#### Principal's Message

#### Continued from page 2

Jackson Avenue Elementary does whatever it takes to support students in succeeding. We have a team approach (Coordinated Services, Student Success Teams and Grade Level Teams) to ensure students receive the additional targeted support they may need to grow and excel. We value parent participation, support and input. We also have additional counseling opportunities for students going through difficult transitions, offered by Hume Center. We have incorporated mindfulness strategies to help support student self-regulation, increasing their ability to focus and succeed. We also teach students strategies to promote a growth mindset, which will provide a path to being a lifelong learner.

Jackson Avenue offers the following programs and opportunities to students:

- Transitional kindergarten: Prepares younger students (chronologically or developmentally) for success in kindergarten for the following school year by using active learning with a focus on STEM (science, technology, engineering and math). Curriculum includes: Great Explorations in Math and Science (GEMS), Zoo-phonics, Handwriting Without Tears, and Math Their Way.
- Kindergarten: We offer an extended-day kindergarten (from 8:30 a.m. to 1:30 p.m.) for all our students.
- Reading Block: Provides opportunities for small-group reading instruction across all grade levels. Our reading specialist provides direct small-group instruction to those students who require more support in developing their reading skills.
- Character Education: Students learn how to do conflict resolution and how to foster an inclusive envi-
- Kid Connection: Students are provided individual and small-group instruction and support to improve in the areas of social and emotional growth.
- Gifted and Talented Education (GATE): In addition to individual enrichment in the classrooms, we provide social opportunities outside of school for students to interact and get to know one another. We offer after-school activities in conjunction with another school site.

We provide children with a supportive educational environment that fosters responsibility, goal setting and a dedication to learning. In addition to building academic skills and providing a challenging curriculum, we strive to guide all children in developing self-respect and respect for others. We believe education is a cooperative effort of the school, home and community. Our primary goal is to prepare students to become responsible members of their immediate community and, ultimately, the global community. The years from grades TK-5 are a time of uninhibited wonder, enthusiasm for learning and rapid intellectual growth. We take advantage of this unique window to help every child obtain the best possible start as a lifelong learner.

Our goals for the 2018-19 school year include the following:

#### LCAP Goal #1

- Literacy/Reading Comprehension: To increase by at least 3% the number of students who score at grade level in the area of reading comprehension; all students (as outlined in the LCAP) with specific focus on our English Learners.
- Mathematics: To increase by at least 3% the number of students who are at grade level/proficient in math; all students (as outlined in the LCAP) with specific focus on our English Learners.
- Writing: To have all students grow (or maintain if at the highest score) in the area of writing as measured by the district benchmark assessments.
- Articulation: To continue to implement a well-articulated and coherent academic program between grade levels and disciplines.

#### LCAP Goal #2

- To promote social/emotional strategies in students.
- To decrease chronic absenteeism.
- To increase overall physical fitness of students.

#### LCAP Goal #3

To provide education to parents to support school initiatives and student learning, based on parent

#### School Mission Statement

Jackson Avenue Elementary School, in partnership with the community, will provide all students with a rigorous education, including problem-solving, character-building and 21st century skills, to successfully prepare them for roles as productive citizens.

I think about the choices I am making and I always try my best.

#### Be **Trustworthy**

I make the same choice when an adult is looking, and when they are not.

## Be Accepting

I am kind to the people around me.

### Be Responsible

I follow the school rules and I take care of the things around me.

#### Public Internet Access

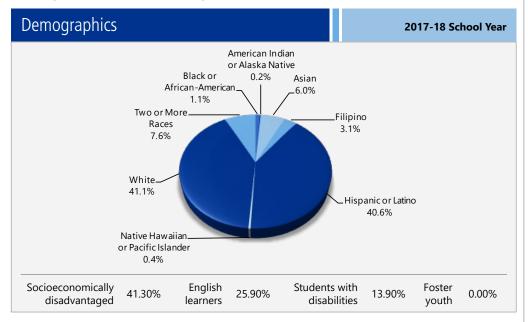

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

### **Enrollment by Student Group**

The total enrollment at the school was 552 students for the 2017-18 school year. The pie chart displays the percentage of students enrolled in each group.

### Types of Services Funded

Categorical funds support a wide range of districtwide and site services to assist all students, including underperforming students, in meeting and exceeding standards. At the district level, categorical funds are used to provide program specialists and staff to monitor, implement and oversee Migrant Education, Native American Education, Special Education, Gifted and Talented Education (GATE) program services; intervention; summer school; TriValley Teacher Induction Project (TV/TIP) and new teacher support; professional development; Peer Assistance and Review and staff development; and the English learner (EL) program.

District-level advisory committees, such as the Local Control Accountability Plan (LCAP) District English Learner Advisory Council (DELAC), GATE Advisory Committee, Career Technical Education (CTE) Advisory Committee, Technology Committee, Math Leadership Committee, K-12 Writing Committees and Special Education Advisory Committee provide input and guidance to ensure compliance and ensure funds are used so that student needs are met. In addition, our district is implementing the LVJUSD Framework for Success. The framework includes multi-tiered systems of support for students' academic, behavioral and social emotional needs.

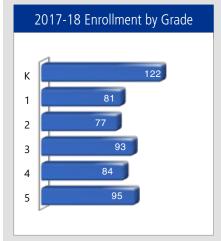

The following categorical programs provide the following services.

Categorical Program Funding Sources and Services:

- After School Education and Safety (ASES) funds support the Livermore BELIEVES program at Marylin Elementary and Junction K-8 Schools and the PAL program at all middle schools, by providing enrichment opportunities, homework support and academic intervention to students.
- Carl D. Perkins Vocational and Technical Education funds provide professional development, services, materials and resources for career technical education in our high schools.
- Migrant Education program funds provide a community liaison, community outreach, instructional aides, tutors, technology-based PASS program and preschool services.
- Tri-Valley Teacher Induction Program funds provide training and coaching for our new teaching staff and funds professional development.
- Special education funds provide staffing including program specialists, psychologists, therapists; professional development; transportation; and supplementary materials for special needs students.
- State Assessment Apportionments are used to administer state-mandated assessments.
- Title I: Funds provide resource teachers, supplemental instructional materials and assessments, instructional aides, staff development and parent involvement.
- Title II: Improving Teacher Quality funds provide high-quality professional development, training and coaching to certificated staff.
- Title III: English learner funds provide EL programs, services, parent education and professional development, supplemental instructional materials and support staff to ensure quality programs for English learner students.
- Title VI: American Indian funds are used for parent education, guest speakers, tutoring, cultural activities and incentives for Native American students.

#### **Enrollment by Grade**

The bar graph displays the total number of students enrolled in each grade for the 2017-18 school year.

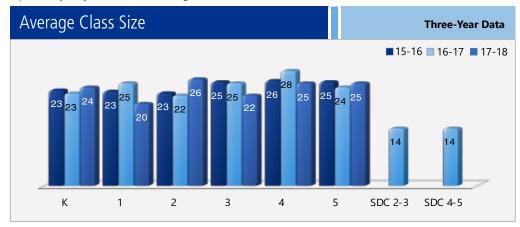

# Suspensions and Expulsions

This table shows the school, district, and state suspension and expulsion rates for the most recent three-year period. Note: Students are only counted one time, regardless of the number of suspensions.

Suspension and Expulsion Rates				
Jackson Avenue ES				
	15-16	16-17	17-18	
Suspension rates	0.6%	4.6%	3.5%	
Expulsion rates	0.0%	0.0%	0.0%	
Livermore Valley JUSD				
	15-16	16-17	17-18	
Suspension rates	2.6%	3.4%	2.9%	
Expulsion rates	0.0%	0.0%	0.0%	
C	Californi	a		
	15-16	16-17	17-18	
Suspension rates	3.7%	3.6%	3.5%	
Expulsion rates	0.1%	0.1%	0.1%	

#### Class Size Distribution

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Number of Classrooms by Size							Т	hree-Yea	r Data
		2015-16			2016-1	7		2017-18	
Grade				Numb	er of St	udents			
Grade	1-20	21-32	33+	1-20	21-32	33+	1-20	21-32	33+
K		3			4		1	4	
1		4			3		2	2	
2	1	2			4			3	
3		3			3			4	
4		3			3			5	
5		3			3		1	3	
SDC 2-3				1					
SDC 3-4				1					

#### **Professional Development**

Our district recognizes that each employee—classified, certificated and management—influences the opportunities for students to achieve at the highest levels. In line with our District Professional Development Plan, we offer and support ongoing growth opportunities that allow every teacher, administrator and staff member to further develop the appropriate knowledge, skills and practices required to create learning environments that allow all students to demonstrate high levels of achievement. Our Board of Education and our district administration recognize that all staff members of the LVJUSD must be provided time and support to acquire, improve and enhance professional knowledge, practices and skills.

During the 2018-19 school year, relevant and timely professional development will be available and delivered to employees. In addition, the two designated professional development days and the flexible professional development day for certificated staff provide the option of individualized professional growth for teachers. Professional development will primarily focus on effective tier one instruction; student and staff safety; customer service; meeting the needs of students with Individual Education Plans (IEP); effective usage of technology as an instructional tool; effective instructional practices for English learners; and implementation of specialized programs such as Dual Immersion, Project Lead the Way, International Baccalaureate and Advanced Placement programs.

Professional Development Days				Three-Year Data
	2016-17		2017-18	2018-19
Jackson Avenue ES	3 days		3 days	3 days

"Jackson Avenue Elementary does whatever it takes to support students in succeeding."

### School Safety

Jackson Avenue Elementary School, in conjunction with LVJUSD, provides a safe, comfortable learning environment that contributes to student academic success. The Safety Committee meets regularly to update and review the Emergency Plan. The school safety plan addresses preparedness and response for a variety of possible disasters such as earthquakes, fire and intruders. We have regular practice drills for all three events. The school maintains emergency supplies, which are stored away from the main buildings in an emergency storage container. Visitors are all required to sign in and sign out in the school office and wear a badge when visiting the campus. All LVJUSD school personnel are asked to wear their district identification tags. Emergency first-aid information, emergency kits and emergency-evacuation maps are posted in every classroom. Yard supervisors wear orange vests and are equipped with handheld radios. They are on campus to provide students supervision before and after school, during recess and lunchtime. All yard supervisors and office staff have been trained in the use of the EpiPen (epinephrine injection) and automated external defibrillators (AEDs) in case of an emergency. At the beginning of the year, the Emergency Plan was reviewed with all staff. The school safety plan was last reviewed, updated and discussed with the school faculty in January 2019.

### CAASPP Test Results for All Students: Science (grades 5, 8 and 10)

The 2016–17 and 2017–18 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The California Science Test (CAST) was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Percentage of Students Scoring at Proficient or Advanced					Two	-Year Data
	Jackson A	venue ES	S Livermore Valley JUSD		Calif	ornia
Subject	16-17	17-18	16-17	17-18	16-17	17-18
Science	<b></b>	<b>*</b>	<b>*</b>	<b>*</b>	<b>*</b>	<b>*</b>

# CAASPP Test Results for All Students: English Language Arts/Literacy and Mathematics (grades 3-8 and 11)

The table below shows the percentage of students meeting or exceeding the state standards in English language arts (ELA)/literacy and mathematics.

Percentage of Students Meeting or Exceeding State Standards					Two	-Year Data
	Jackson Avenue ES Livermore Valley JUSD			Calif	ornia	
Subject	16-17	17-18	16-17	17-18	16-17	17-18
English language arts/literacy	57%	56%	61%	62%	48%	50%
Mathematics	55%	56%	49%	51%	37%	38%

### California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

- 1. Aerobic Capacity
- 4. Abdominal Strength and Endurance
- 2. Body Composition
- 5. Upper Body Strength and Endurance
- 3. Flexibility
- 6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

California Physical Fitness Test	2017-18 School Year
Percentage of Students Meeting Fitness Standards	Jackson Avenue ES
	Grade 5
Four of six standards	19.6%
Five of six standards	15.2%
Six of six standards	4.3%

#### California Assessment of Student Performance and Progress (CAASPP)

For the 2017-18 school year, the CAASPP consists of several key components, including:

California Alternate Assessments (CAA) test includes both ELA/literacy and mathematics in grades 3-8 and 11. The CAA is given to those students with the most significant cognitive disabilities whose current individualized education plan (IEP) designates an alternate assessment.

#### **Smarter Balanced Assessments**

include ELA/literacy and mathematics in grades 3-8 and 11. Smarter Balanced Assessments are designed to measure student progress toward college and career readiness.

The assessments under CAASPP show how well students are doing in relation to the state-adopted content standards. On each of these assessments, student aggregate scores are reported as achievement standards. For more information on the CAASPP assessments, please visit www.cde.ca.gov/ta/tg/ca.

#### CAASPP by Student Group: English Language Arts/ Literacy and Mathematics

The table on the following page displays the percentage of students that met or exceeded state standards in English language arts/literacy and mathematics for the school by student groups for grades 3-5

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Results by Student Group: English Language Arts and Mathematics (grades 3-5)

Scores are not shown when the number of students tested is 10 or fewer, either because the number of students tested in this category is too small for statistical accuracy or to protect student privacy.

#### Textbooks and Instructional Materials

The LVJUSD has adopted the Next Generation Science Standards and the California State Standards in the following content areas: English/language arts and literacy in history/social science, science and technical subjects, and mathematics. Our district has also adopted the state content standards for history/social science, English language development (ELD), physical education, visual and performing arts, and career technical education. Our district adheres to state curricular guidelines for health and foreign language. The LVJUSD Board of Education has approved and adopted instructional materials in all content areas, aligned to state and district-adopted standards.

Our district reviews and adopts textbooks based on state and district standards. Our district instructional materials are selected and adopted in accordance with board policy and Board Regulation 6161.1 for Selection and Evaluation of Instructional Materials. Supplementary materials, including core literature and state-approved intervention materials are selected and used to increase access to standards-based instruction.

Our district's selection process includes a committee of teachers and administrators, along with parent input. The committee develops evaluation criteria, pilots materials, makes recommendations appropriate to each adoption cycle.

The final book selection is based on input from a district committee and the community. Staff development is provided for all new textbook adoptions. Districtwide adoptions include elementary English language arts and English language development in 2018-19 and secondary in 2019-20, history/social science in 2005-06, science in 2006-07, grades 9-12 math in 2007-08, grade 6-8 math in 2014, and grade K-5 math and algebra 1 in 2016. Textbooks are available, without charge, for all students. Each student receives a book for his or her own use. Students are responsible for keeping textbooks in good condition and for returning them promptly at the end of the school year.

By the eighth week of school each year, the LVJUSD Board of Education passes a resolution certifying, "Sufficient Standards-aligned textbooks and instructional materials were provided to each student, including English learners (EL), in mathematics, science, history/social science, and English/language arts, including the ELD component of an adopted program." Foreign language and health textbooks are adopted and ordered in sufficient quantities. In addition, science laboratory equipment is available for science laboratory courses offered in grades 9-12, inclusive.

In accordance with the terms of the Williams case settlement and Education Code 35186, a uniform complaint process has been developed, and guidelines are posted in every classroom. "Each student, including English learners, must have a textbook or instructional material, or both, to use in class and to take home. This requirement includes pupils enrolled in foreign language and health classes, and is applicable to science laboratory equipment for science laboratory courses offered in grades 9-12 inclusive." No complaints have been filed relative to "sufficiency" of instructional materials in our district.

Textbooks and Ins	tructional Materials List	2018	-19 School Year

### Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

Quality of Textbooks	2018-19 School Year
Criteria	Yes/No
Are the textbooks adopted from the most recent state-approved or local governing-board-approved list?	Yes
Are the textbooks consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education?	Yes
Do all students, including English learners, have access to their own textbook and instructional materials to use in class and to take home?	<b>s</b> Yes

# Availability of Textbooks and Instructional Materials

The following lists the percentage of pupils who lack their own assigned text-books and instructional materials.

#### Percentage of Students Lacking Materials by Subject

#### 2018-19 School Year

Reading/language arts	0%
Mathematics	0%
Science	0%
History/social science	0%
Visual and performing arts	0%
Foreign language	0%
Health	0%

This table displays the date when the most recent hearing was held to adopt a resolution on the sufficiency of instructional materials.

#### Currency of Textbooks

2018-19 School Year

**Data collection date** 10/2/2018

#### School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor.

School Facility Good Repair Status	9 School Year	
Items Inspected		Repair Status
Systems: Gas leaks, sewer, mechanical systems (heating, ventilation	and HVAC)	Good
Interior: Interior surfaces (floors, ceilings, walls and window casings)		Good
Cleanliness: Pest/vermin control, overall cleanliness		Good
Electrical: Electrical systems		Fair
Restrooms/fountains: Restrooms, sinks and drinking fountains	Good	
Safety: Fire safety, emergency systems, hazardous materials	Good	
Structural: Structural condition, roofs	Good	
External: Windows/doors/gates/fences, playgrounds/school ground	Good	
Overall summary of facility conditions	Good	
Date of the most recent school site inspection		9/21/2018
Date of the most recent completion of the inspection form		10/1/2018

### **Deficiencies and Repairs**

The table lists the repairs required for all deficiencies found during the site inspection. Regardless of each item's repair status, all deficiencies are listed.

For all items inspected that were found to not be in "good repair," a work order has been created and maintenance will be completed before the end of the 2018-19 school year. Maintenance items will be prioritized so that student safety is not compromised.

Deficiencies and Repai	2018-19 School Year			
Items Inspected	Deficiencies and A	ction Taken or Planned		
Electrical	Bad ballast Room 18, bulbs out Room 15, 11. Work order 93813.			
Restrooms/fountains	Fountains with low flow Rooms 21, 23. Work Order 93812.			
Safety	Fire extinguisher needs to be mounted to the wall. Work order 938-			

# dent

#### School Facilities

Jackson Avenue Elementary School first opened in 1963. The facility has been expanded and remodeled over the past 50 years. The school completed construction of the rest of the school in September 2008, funded by a local bond.

All classrooms have networked computers with printers, a digital projector and a document camera. The library has eight Mac computers to access an electronic card catalog. We have a Chromebook cart in each 2-5 grade class. Each first grade class has at least 13 Chromebooks, kindergarten shares seven Chromebooks, and our SDC class has 14 Chromebooks. Many teachers also have iPads for small group or individual work. Many classrooms have added technology such as iPads and flat-screen TVs through grants. There is also a multipurpose room with a stage and a kitchen facility. There is a kindergarten playground, K-5 playground, and extensive field areas for student play and physical education.

Gates were installed enclosing the campus in the 2012-13 school year.

A head custodian maintains the site from early morning to afternoon, and 1.5 full-time equivalent night custodians work from afternoon to late night. The custodial staff work to develop cleaning schedules to keep the site clean and safe.

We have two gardens on campus. One garden is maintained by parent volunteers and is used for an outside classroom. Another garden is maintained by a Girl Scout troop. They grow vegetables to provide to families in need.

Measure J supported the installation of a new digital marquee for our school site. We also have recently installed solar panels in the parking lot and on our blacktop to provide shade during recess and PE. We recently installed three new playground structures through Measure J funding. We also have updated our field. We will soon install ceiling mounted projectors and sound systems in each classroom.

Education is a top priority in the community of Livermore, and maintaining a safe and orderly environment maximizes student learning. The citizens of Livermore have passed three major funding measures targeting school facility needs: Measure B in 1975, Measure L in 1999 and, most recently in June 2016, the generous and supportive Livermore community passed the Measure J Facilities Bond.

Measure J funds will be used to:

 Modernize classrooms, science labs and educational technology for 21st century instruction

Continued on page 10

#### **School Facilities**

Continued from page 9

- · Repair aging infrastructure: roofs, plumbing, HVAC and electrical systems
- Renovate facilities for advanced science, technology, engineering and math (STEM) and Career Technical Education (CTE) courses
- · Improve safety, including security lighting, fencing, fire safety, and other emergency systems
- · Upgrade deteriorated hardscapes, physical education facilities, and pick-up/drop-off zones
- · Increase access to school facilities to better accommodate individuals with disabilities

Through these bond measures and developer fees, the LVJUSD has been able to renovate, modernize and construct new schools following the Facilities Master Plan.

Facilities are maintained through the diligent efforts of the site custodial crews and the district maintenance staff. The LVJUSD Board of Education has adopted cleaning standards for all schools in the LVJUSD. The principal works with the custodial staff to develop cleaning schedules to maintain clean and safe schools. District maintenance staff performs the repairs necessary to keep the schools in good working order in a timely manner. A work-order process is used to ensure efficient service and that emergency repairs are given the highest priority.

#### Parental Involvement

Livermore Valley Joint Unified School District (LVJUSD) values active parent engagement and believes that parent involvement is essential to the success of all students. LVJUSD Board Policy 6020(a) states:

"The Board of Education recognizes that parents/guardians are their children's first and most influential teachers and that sustained parent involvement in the education of their children contributes greatly to student achievement and a positive school environment. The Superintendent or designee shall work with staff and parents/guardians to develop meaningful opportunities at all grade levels for parents/guardians to be involved in district and school activities; advisory, decision-making, and advocacy roles; and activities to support learning at home."

Educational research suggests that highly effective schools have a number of features in common, including high levels of parent and community involvement. When parents take an active role in their children's education, students perform at high levels and have more well-rounded educational experiences. LVJUSD parents are welcome partners in our school community. There are a range of opportunities for parents to engage with schools, including Parent Teacher Associations (PTAs), Parent Faculty Associations (PFAs), sports and activity booster clubs, and other supporter groups. On a monthly basis, the superintendent of schools meets with a representative of each school's parent organization at the Parent Communication and Information Council (PCIC). This gathering provides an opportunity for parent groups to collaborate with each other and representatives of the district regarding events, opportunities, and activities for students and families. This is also a time district representatives share new initiatives and current information with parent leaders. In addition, parents have the opportunity to share general concerns and ask questions directly to the superintendent. Each school also has formal advisory groups including School Site Councils (SSCs) and English Learner Advisory Committees (ELACs) who represent other parents at the site and are critical in the development and monitoring of the Single Plan for Student Achievement (SPSA). A representative from each SSC serves on the district Local Control Accountability Plan (LCAP) Advisory Committee, and a member of each ELAC serves on the District English Learner Advisory Council (DELAC), which also serves as the LCAP English Learner Advisory Committee. Through these two-way systems of parent support and engagement, parents, district, and school staff have open lines of communication and opportunities to engage in meaningful ways with the school community.

Parents are an integral part of our school environment. We have several opportunities for parents to become involved and are open to additional ideas and suggestions. We appreciate the dedication of parents who support their students' learning in a variety of ways. Parents volunteer in classrooms and make many field trips possible by driving and chaperoning students.

Parents participate in our School Site Council (SSC), Parent Teacher Organization (PTO) and English Learner Advisory Committee (ELAC) to provide input and support. Our programs are supported through volunteering, fundraising, sponsoring, conducting enrichment activities and participating on committees.

The SSC reviews and approves the Single School Plan for Student Achievement. The SSC also makes recommendations and reviews programs, progress and student achievement. Our ELAC committee in partnership with our PTO organizes our annual Multicultural Night, providing a variety of homemade food for the community to eat, and a large variety of performances representing many different cultures such as Hispanic/Latino, Filipino, Native American, East Indian, Chinese, Afghan, Scottish and more.

We have an extremely active PTO that supports our school programs both financially and through volunteer efforts. They have supported our classrooms with supplemental materials. They provided financial support for the classrooms and field trips. Our PTO also supports many community social activities. The PTO organizes our Holiday Gift Store; weekly ice cream sales; and a silent auction and carnival in the spring to raise money for additional supplies, enrichment programs, assemblies and more. For more information on how to become involved, please contact the executive assistant to the principal, Cynthia Cuneo, at (925) 606-4717, extension 3819; or ccuneo@lvjusd.org.

# Positive Learning Environment

At Jackson Avenue, a positive climate is promoted through student involvement, recognition and rewards. Students have the opportunity to participate in Student Council, Reading Buddies, Safety Patrol, spelling bee, the science fair, Science Odyssey and choir. Students are recognized for academic excellence, as well as for good attendance, citizenship and classroom achievement at awards assemblies three times a year.

At the same time, the staff has created clear guidelines, aligned with the LVJUSD Discipline Guidelines, for students to follow. The school guidelines and district policy are reviewed with students and parents at the beginning of the school year. Embedded in the guidelines is our Be a Stingray STAR program, which recognizes students for their positive behavior. Positive behavior is also rewarded at our weekly Wednesday morning meetings.

Our School Site Council adopted Choose Love to support social-emotional learning. We continue to support student leadership through our 4th and 5th grade house system: Integrity, Perseverance, Wisdom and Kindness. Students support community projects such as the canned food drive and toy drive.

In addition, our Kid Connection program promotes appropriate social and emotional development in children. The program provides a creative and supportive place at school for our children to learn and practice social skills to enhance their self-esteem and increase their positive adjustment to school. We also offer support for students through counseling provided by Hume Center.

Moreover, communication through the Stingray News, flyers sent out electronically through Peachjar, announcements on the marquee, updates on the school website and district app help keep communication ongoing between Jackson Avenue Elementary School and parents and guardians. Our PTO also maintains a Facebook page to inform parents and families of upcoming activities.

#### **Teacher Qualifications**

This table shows information about teacher credentials and teacher qualifications. Teachers without a full credential include teachers with district and university internships, pre-internships, emergency or other permits, and waivers. For more information on teacher credentials, visit www.ctc.ca.gov.

Teacher Credential Information		Three-Year Data		
	Livermore Valley JUSD	Jackson Avenue ES		
Teachers	18-19	16-17	17-18	18-19
With a full credential	648	30	30	27
Without a full credential	28	1	1	2
Teaching outside subject area of competence (with full credential)	11	0	0	0

#### Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Please note that total teacher misassignments includes the number of teacher misassignments of English learners.

Teacher Misassignments and Vacant Teacher Positions		Three-Year Data	
	Jackson Avenue ES		
Teachers	16-17	17-18	18-19
Teacher misassignments of English learners	0	0	0
Total teacher misassignments	0	0	0
Vacant teacher positions	0	0	0

#### Substitute Teachers

LVJUSD maintains the continuity and quality of education by making every effort to hire credentialed substitutes or the highest caliber professional who has passed the California Basic Educational Skills Test (CBEST). In addition, substitute teachers hold college degrees and proper documentation to ensure they meet the California Commission on Teacher Credentialing requirements. The district human resources department monitors the substitute pool to ensure adequate availability of substitutes to cover staff absences. LVJUSD is fortunate to have both a committed group of retired educators and aspiring teachers ready to serve our students.

#### **Teacher Evaluations**

Permanent teachers are evaluated every other year unless under a five-year evaluation cycle. Teachers who have not reached permanent status are evaluated every year. The evaluation is specified in the collective bargaining agreement between our district and the Livermore Education Association. The evaluation is aligned to the California Standards for the Teaching Profession (CSTP). The teacher and the evaluator meet to formulate professional goals based on the six CSTPs. The teacher is observed by his or her evaluator, and at least two goal-setting conferences are held. Teachers who need to improve are assigned a mentor teacher as stipulated in the contract.

#### School Support Staff

The district provides the following support staff and programs to meet the needs of students, teachers, parents and administrators: school community liaison, child welfare and attendance specialists, school psychologists, behaviorists, speech therapists, specialist for the hearing impaired, Resource Specialist Program (RSP), Registered Behavior Technicians (RBT), Special Services Preschool, special day classes (SDC), special education instructional aides, special education program specialists, adaptive physical education instructors, occupational therapists, high school counselors, school nurses, health aides, English learner (EL) program, Spanish and English Dual Immersion program, Migrant Education program, International Baccalaureate, interpreters and translators, bilingual instructional aides, curriculum specialists, Title I resource teachers, Title I instructional aides, and summer school programs.

# Academic Counselors and School Support Staff

This table displays information about academic counselors and support staff at the school and their full-time equivalent (FTE).

	` '	
Academic Counselors and School Support Staff Data		
2017-18 School Year		
Academic Counselors		
FTE of academic counselors	0.00	
Average number of students per academic counselor		
Support Staff	FTE	
Social/behavioral counselor	0.00	
Career development counselor	0.00	
Library media teacher (librarian)	0.00	
Library media services staff (paraprofessional)	0.79	
Psychologist	0.60	
Social worker	0.00	
Nurse	0.20	
Speech/language/hearing specialist	1.40	
Resource specialist (nonteaching)	0.00	

#### Financial Data

The financial data displayed in this SARC is from the 2016-17 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending web page at www.cde.ca.gov/ds/fd/ec. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits web page at www.cde.ca.gov/ds/fd/cs. To look up expenditures and salaries for a specific school district, see the Ed-Data website at www.ed-data.org.

#### District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note: The district salary data does not include benefits.

Salary Data		2016-17 Fiscal Year
	Livermore Valley JUSI	D Similar Sized District
Beginning teacher salary	\$41,057	\$49,512
Midrange teacher salary	\$75,629	\$77,880
Highest teacher salary	\$92,297	\$96,387
Average elementary school principal salary	\$126,800	\$123,139
Average middle school principal salary	\$131,135	\$129,919
Average high school principal salary	\$131,175	\$140,111
Superintendent salary	\$314,959	\$238,324
Teacher salaries: percentage of budget	37%	36%
Administrative salaries: percentage of budget	6%	5%

### Financial Data Comparison

This table displays the school's per-pupil expenditures from unrestricted sources and the school's average teacher salary and compares it to the district and state data.

Financial Data Comparison		2016-17 Fiscal Year
	Expenditures Per Pupil From Unrestricted Sources	Annual Average Teacher Salary
Jackson Avenue ES	\$5,635	\$76,464
Livermore Valley JUSD	\$6,925	\$75,636
California	\$7,125	\$79,665
School and district: percentage difference	-18.6%	+1.1%
School and California: percentage difference	-20.9%	-4.0%

Data for this year's SARC was provided by the California Department of Education and school and district offices. For additional information on California schools and districts and comparisons of the school to the district, the county and the state, please visit DataQuest at http://dq.cde.ca.gov/dataquest. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1.

School Financial Data

The following table displays the school's average teacher salary and a breakdown of the school's expenditures per pupil from unrestricted and restricted sources.

School Financial Data		
2016-17 Fiscal Year		
Total expenditures per pupil	\$7,757	
Expenditures per pupil from restricted sources	\$2,122	
Expenditures per pupil from unrestricted sources	\$5,635	
Annual average teacher salary	\$76,464	

### Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.
