

## Lawrence Elementary Math Olympiad Team For 3rd to 5th Graders!

**3<sup>rd</sup> to 5<sup>th</sup> grade students: Do you enjoy math and problem solving? Join the Lawrence Math Olympiad team!** Mathematical Olympiads for Elementary and Middle Schools (MOEMS), is a non-profit public foundation offering premier math contests for grades 4-8

### How to enroll

If your child loves mathematics and likes problem solving, please enroll him/her in our Math Olympiad team by Friday September 21<sup>st</sup>, 2018. The Lawrence Math Olympiad team is only open to 3<sup>rd</sup> to 5<sup>th</sup> grade students. A maximum of 35 students can join the team (first come first served basis). We request a donation of \$10 per year for each student enrolled. (Please see reverse side for enrollment form)

### How it works

Students attend Math Olympiad practice/coaching sessions at Lawrence outside of school hours (weekly before school from 7.45 – 8.25am from October through May) for preparation of 5 national contests administered monthly from November to March. There will be five monthly contests\*, given from November to March. The dates will be sent to you after we enroll the team. The dates will be final and there will be no retake of the test. Each contest will have five questions that each student completes individually. Each student will work alone on the problems during the contest for 30 minutes. (\* Priority will be given to 4<sup>th</sup> and 5<sup>th</sup> Grade students)

For more information about joining the Lawrence Math Olympiad team; please contact Jai Kandayah [jkandayah@gmail.com](mailto:jkandayah@gmail.com). For more information on Math Olympiad, visit [www.moems.org](http://www.moems.org)

*“Think of each problem as a small doorway that opens into a large room of mathematical thought. You want to be in that room. There you will find a wealth of concepts bundled together into one or more solutions to that problem. There you learn to think mathematically.”*

**This activity is sponsored by Lawrence Elementary PTO.**

**We hope you'll join us!**

## Lawrence Elementary Math Olympiad Team For 3rd to 5th Graders

Open to 3rd to 5th grade students at Lawrence Elementary.  
Cost: \$10 per school year. Meetings will be held every  
Wednesday Wednesday from 7:45to 8:25am in the Art Room.  
This club will be limited to 35 students this year. A lottery will be held if  
there are more than 35 interested.

Contact Jai Kandayah (jkandayah@gmail.com) for more information or to help with this club.
