

ELEMENTARY DISTANCE LEARNING SCHEDULE: TK-K	Distance learning schedule provides for online meeting and instruction via Schoology each morning. Daily instruction is guided by the teacher and includes a combination of tasks and activities, including some that are completed offline. The teacher will be available for support, but students will not be engaged with the device/screen for the entire time. Breaks will be built into the morning schedule. Wednesdays begin with a morning meeting, and then students learn independently following instruction and guidance provided by their teacher.
